Kathy,

As a follow-up to our conversation this morning, Region 4 management wants to be certain that the 3 issues that we are raising to FDEP and the positions we are articulating regarding our review of the Corps-State MOA are supported by David Ross. I've summarized the issues below, but I welcome you to edit/expand the description as appropriate:

Ex. 5 Deliberative Process (DP)

Until we have resolution, I think we need to let FDEP know we are elevating these issues to ensure there is no question about EPA's position. Please let me know if you have questions or wish to discuss. Thanks.

Tom

Phil, Matt and Mita – I uploaded the attachment to the WPD's sharepoint site and gave Jeaneanne heads-up that it hasn't gotten legal review. I'm comfortable that's it's accurate, but if you have heartburn over anything in it please let me know. Thanks. Tom
